IN THE SPOTLIGHT

This month, we're ✨ **shining the spotlight** ✨ on Stacey and Andy from MiniLinks.

The Wyre Moving More team visited MiniLinks Fleetwood to learn more about how they are helping the people of Wyre to keep fit and healthy, learn new skills, move more and have fun!

Introduce yourself guys!

Greetings from the new but very old MiniLinks® Golf Course in Fleetwood. We are team Tracey - a family of golfers and LittleChippers. Both Stacey and Andy are local and still live in Wyre with our 4 little rascals attending school here.

How do you get people moving in Wyre?

Over the last year we have been waking up a beast of a pitch and putt course(s) in Fleetwood. One side that has not been operational this millennium and the other

Now everything is operational and alive again with our special touch of MiniLinks® magic. A superb 9 hole Par3 golf course soon to be course rated with England Golf has just opened - and it comes with a warning sign! On the opposite side of the huge 10 acre site is a fun, quirky 8.golf course (and a little play on words) with a fabulous Vintage Crazy Golf course in between - something for everyone to sample and get moving more in Wyre.

For those of you with a competition urge we run regular FREE MiniMajors that coincide with the actual Major Championships on the short Pitch and Putt 8.golf course and a Juniors v Adults Hole in One Competition on CrazyGolf.world

What are your goals & aspirations for the Future?

Our current and future goals are to increase participation in Juniors, Beginners and Ladies golf especially as the Women's Open is down the coast at Royal Lytham & St Annes this summer!

We are so pleased the HAF programme with Wyre and Lancashire Council has done a great deal to attract more juniors with more sessions planned for the near future. This, coupled with attracting golfers back into the game with our MiniLinks® course rated Par3 in the build up to The Open 2028 in two years again at Royal Lytham & St Annes!

Attracting Schools and Ability golf are our immediate priority as our facility now suits both with local Wyre schools eager to come down. We are in talks with our neighbours - the Beach Wheelchairs - to see how we can link their equipment in with our Ability golf sessions as Stacey is our qualified disability coach.

We are also pleased to have had DP World Tour player Jack Senior play several times on the MiniLinks® site and has very kindly donated several trophies for us to use. This stirs a great interest in the site with everyone very interested in trying to beat his score!

Who's your hero or sporting icon?

There are several (golfers!) but Tommy Fleetwood has to be our number one. How good would it be to get him to officially open the MiniLinks® Golf course in Fleetwood.

If you could be involved in any other sport, what would it be?

A little secret is that our Stacey was a Pole Vaulter and competed for Lancashire all over the country before 4 Little Chippers and golf came along.

Pop down and see us in Fleetwood, you will always see one of ours on the course!
