

HAVE YOUR SAY

Sowing the Seeds: Rural survey

If you live or work in rural Wyre, we want to hear from you! Your voice will directly influence real action, and this will be the last rural survey before Local Government Reorganisation.

Your responses will feed into Wyre's Economic Development and Visitor Economy Strategy, guiding how the council, local employers and countryside organisations tackle rural challenges. Where issues can't be solved locally, we'll raise them with MPs and Lancashire County Council to push for wider change.

Take part online!

Visit www.wyre.gov.uk/haveyoursay or scan the QR code. The online consultation will be open until **Friday 2 October**.
