

# WYRED UP

SUPPORTING LOCAL BUSINESS IN WYRE

## Tendering for Public Sector contracts

An opportunity for Wyre and Fylde Coast businesses

Wyre Council will provide a comprehensive overview of the new **Public Procurement Act**. This event will also update on the new **UKSPF Business Support** available, including bid and tender writing workshops. The aim is to encourage smaller Wyre, and other Fylde Coast businesses, to look at collaborating with each other and/or their larger counterparts to supply local public sector contracts.
